PLAN

Assigned Tasks for Research on project, project work and e-Portfolio curation completed
 Next steps to progress research, project work and e-Portfolio curation discussed and agreed for production
 Tasks to monitor progress and close gaps in research, project work and e-Portfolio curation discussed and agreed for production

Key points discussed:

How I plan to consolidate and showcase my learnings and findings

How to improve my weekly logs (using other sources online like Youtube or language learning apps)

Culture findings are a great additional touch to the language points

Documenting the contents I have done (through photos or videos or journalling)

What I must produce for next session:

Weekly Logs

Continue researching with other resources

Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on)

What went well:

Lecturer liked what I have done so far, especially including some cultural gestures inside

What didn't go well:

Didn't include key words or vocabulary

What do I need to improve on:

Concentrate on including key words and expanding vocabulary by taking note of important sentences
